While EOTPA does carry liability insurance to cover club directors and team penning events, EOTPA insurance does not cover you or your horse in the parking lot. It also does not cover you if your horse escapes and causes damage or an accident. It has been brought to our attention that most personal insurance policies without a special rider do not cover this situation either. We are asking you to review your insurance coverage with your agent and please make sure it will include team penning events.

A number of clubs in Ontario make this additional insurance a requirement of membership and we strongly urge you as a participant at EOTPA events to purchase this coverage. Club insurance is not meant to be a substitute for personal liability insurance.

Do you have liability insurance on your horse(s)? YES_____ NO_____

Does your liability insurance specifically cover Team Penning Events? YES_____ NO_____

If you do not currently have this insurance, will you purchase it in the near future? YES_____ NO_____
